

Hello virtual TPES students and parents! My name is Micki Walker. I

am the RTI teacher at TPES. Each student enrolled in TPES **MUST BE**

tested three times a year to track academic progress. As a virtual

learner your dates to test are **Monday, September 21<sup>st</sup> and Tuesday,**

**September 22<sup>nd</sup>**. Three computer labs will be made available for

virtual students to come in and take their tests. All health accommodations will be made to keep your

child safe. Social distancing, as well as, cleaning before and after will be in effect on these two days.

As students enter the building, please make sure they have on a mask. Masks are available if your child

needs one. Just like coming for fall pictures please allow your child to come in independently as wait

outside the building. If you would like to send in a phone number we will call when your child is

finished testing. Testing times will vary based on grade level. The computer labs will be open from 8:00-

2:00 on Monday and Tuesday. You do not need to schedule a specific time, just come in at your

convenience.

If you have any questions please call the school 253-2626.

See you soon,

M. Walker
